SCHOOL ASTHMA ACTION PLAN

This record is to be completed by parents/carers in consultation with their child's doctor. Please tick the appropriate box and print your answers clearly in the blank spaces where indicated. This school is collecting information on your child's asthma so we can better manage asthma while your child is in our care. The information on this Plan is confidential. All staff that care for your child will have access to this information. It will only be distributed to them to provide safe asthma management for your child at school. The school will only disclose this information to others with your consent if it is to be used elsewhere. Please contact the school at any time if you need to update this Plan or you have any questions about the management of asthma at school. If no Asthma Action Plan is provided by the parent/carer, the staff will treat asthma symptoms as outlined in the Victorian Schools Asthma Policy (Section 4.5.7.8 of the Department of Education and Early Childhood Development Victorian Government Schools' Reference Guide).

SCHOOL ASTHMA ACTION PLAN

Asthma First Aid Plan

Please tick the preferred Asthma First Aid Plan

Victorian Schools Asthma Policy for Asthma First Aid

(Section 4.5.7.8 of the Department of Education and Early Childhood Development Victorian Government Schools' Reference Guide)

- 1. Sit the student down and remain calm to reassure them. Do not leave the student alone.
- 2. Without delay shake a blue reliever puffer (*Airomir, Asmol, Epaq or Ventolin*)* and give 4 separate puffs through a spacer (use the puffer alone if a spacer is not available). Use one puff at a time and ask the student to take 4 breaths from the spacer after each puff.
- 3. Wait 4 minutes. If there is no improvement, repeat steps 2 and 3.
- 4. If there is still no improvement after a further 4 minutes call an ambulance immediately (dial 000) and state that the student is having breathing difficulties. Continuously repeat steps 2 and 3 while waiting for the ambulance.
- *A *Bricanyl* Turbuhaler may be used in First Aid treatment if a puffer and spacer is unavailable If at any time the student's condition suddenly worsens, or you are concerned, call an ambulance immediately.

OR			
Student's Asthma First Aid Plan (if different from above)			

- Please notify me if my child regularly has asthma symptoms at school.
- Please notify me if my child has received Asthma First Aid.
- In the event of an asthma attack, I agree to my son/daughter receiving the treatment described above.
- I authorise school staff to assist my child with taking asthma medication should they require help.
- I will notify you in writing if there are any changes to these instructions.
- I agree to pay all expenses incurred for any medical treatment deemed necessary.
